

## Comprehension questions

Answer the following questions according to the information given in the text. Use your own words.

Read all of the questions carefully. Then scan the text for clues: words or expressions that are similar in both the text and questions.

**1 Why was the woman bitten?**

Because the seal did not like the woman touching it.

The question word *why* asks for a reason. The text explains that the reason the seal bit the woman was because *it did not like being pushed*.

**2 What made the robber hide inside the tigers' enclosure?**

He was trying to escape from some security guards.

*What made*, like *why*, asks for a reason. The text explains that *the thief had to escape quickly when the couple he had robbed started screaming and security guards began to chase him*.

**3 Suggest an alternative title and justify your answer in 25-35 words.**

I would choose 'Not teddy bears' to make people realise animals are not toys and playing with them or trying to help them can be very dangerous.

When suggesting an alternative title, it is important that it is relevant to the general idea of the text. Give your reason for suggesting your title.
